

PRECIOUS YOU FOUNDATION RWANDA

North Province / Bugesera District / Ruhuha Sector

Precious You Foundation in Rwanda executed these activities in 2021

- Visiting 14 street-children once per month;
- Paying medical insurances for 76 poor inhabitants, 10 homeless mothers and their 14 children;
- Offering cleaning materials to 10 street girls every month, etc.

All these activities presented in this table which shows all activities and the costs per year.

No	Activity	Quantity / year	Cost in FRW	Comments
1	Camera	12	150,000	Every month we use a camera to take pictures from the street girls and all our activities.
2	Food		1.080,000	Every visit we distribute food for the street girls and their children (main activity this year).
3	Face masks	400	80,000	In the starting of the academic year we offered face masks to students from poor families. It was an obligation to students to come with face mask to school because of COVID 19 and some poor families cannot afford this.
4	Cleaning materials		120,000	Street girls need cleaning materials like all other girls. We gave them pads, toothpaste, soaps, toothbrush, body lotion. This happened 5 times this year. It would be better if this could happen every month, but because of limited funds this was all we could do.
5	Insurances	100	300,000	We helped 10 street girls and their children and 76 very poor inhabitants to have medical insurances for one year. This will help them to have right for medical care to all public hospitals.
6	Transport		120,000	Transport from Kigali to Ruhuha.
7	Communication		100,000	Internet costs to communicate with Precious You in the Netherlands.
8	Rent	12	420,000	Rent of our office (an office is obliged by the government).
9	Gift to our coordinator		300,000	The one who executes all these activities doesn't have salary or other support. We therefor gave him a gift at the end of the year.
		Total	2.670,000	

We have used 2.670,000 (€2670) in the year 2021.
