02	Food		1,200,000	Every visit we give them different foods to bring to their children, this looks as main activity done in this year
03	Face musk	400	80,000	In the starting of the academic year we offer face musk to student from poor families, it was an obligation to students to come with face musk because of COVI 19 and some poor families cannot get it easily.
04	Cleaning Materials		150,000	Street girls need cleaning materials as others girls, we have given to them pads, Colgate, soaps, toothbrush, Body lotion, This happens 5 times in this year. It may be better if this happens every month but because of limited fund it doesn't happen.
05	Insurances	100	300,000	We helped 10 street girls and their children to have medical insurance and other very poor families to have medical insurances for one year.

				This will help them to have right to all public hospitals. This is Precious job that we have done.
06	Transport		240,000	This is transport I used from where and I live to Ruhuha per year, some time I take cameraman from Kigali to Ruhuha and we paid their transport.
07	Communication		150,000	Internet is still expensive in Rwanda and it helps to share this information with you.

09	Coordinator Gift		300,000	The one who is on field to manager all these activities doesn't have salary or other support; we give him a gift at the end of the year.
